

Selected international exhibitors: (by alphabetical order, exhibitor list as of 5 Jun, 2015)

Azgard Nine (Pakistan)

azgard9 will bring their denim and PFGD fabrics to the fair, with their range comprising advanced fibres, finishes and features from Feather to Rock, Earth to Moon, Spartan to topnotch and Sustainable to Green line. Current trends in the market they believe include vintage shade, high stretch denim, selvedge denim, functional denim, coated denim and novelties, with high stretch denim being particularly popular in China at the moment.

Cone Denim (Hong Kong) 

Cone's technical fabric development will be seen in its Fall/Winter 2016 collection. The newest performance denims using Toughmax, Coolmax®/Tencel®, Dri-Release® and SGene® II will also be on display.

Denism Textiles Ltd (Hong Kong)

This Hong Kong exhibitor will present five themes in their denim collection at the fair: Cloud, Cosmetic, Citizen, Curio and Yoga. In their segment of the market they state that high-stretch fabrics with soft touch are the current trend.

Fabrix Plus Co Ltd (Taiwan)

The exhibitor will feature doobby denim plus prints at the fair. They believe that cotton / Tencel denim for shirting is a popular trend in the current season.

H W Textiles Co Ltd (Hong Kong)

H.W. Textiles is well-known in the US, European and Japanese markets, and are now expanding their market by featuring their Kuga, Rogi, Flexi, Vintage Boy Friend Denim collections to the fair.

JM International HK Ltd (Hong Kong) 

JM specialises in accessories for garments and shoes, and buyers will get to see their most stylish accessories at the fair. Commenting on current trends, the company reported that anti-brass brushed metal accessories have been popular recently.

Lucky Textiles Group (Hong Kong)

Lucky Textiles Group specialises in corduroy, twill and denim products for the European, American, Japanese and Southeast Asian markets. The company is dedicated to developing high-end products with highly value-added features such as nanometre, iron-free (high & low temperatures), water & oil repellent, anti-pollution protection and more.

Rajawani Denim Mills (Pvt) Ltd (Pakistan)

The company will present it's new 2015 collection featuring the latest trends. They report that these trends are Lycra / stretch in men's and women's jeans, so they have a wide range of products in their Stretch collection.

Super Wings International Ltd (Hong Kong)

A wide variety of soft touch and super stretch denim will be on display. The company believes that these items with good recovery are the current trends.

Upper Universe Industrial Ltd (Hong Kong)

Various denim patterns such as discharge print, pigment print, indigo stripe, indigo check, dobby denim, nep denim, fake knit denim and jacquard denim will be showcased at the fair. Additionally, Upper Universe will present their newly developed functional products, including DuPont Sorona, Coolmax, Thermolite, T400 and recycled polyester yarn.
