

Event area activities

There will be seven event area activities in halls 4.1 and 5.1:

Style Your Tote Bag (hall 4.1, near gate 7)

Visitors can create their own tote bag style by stamping different patterns in the workshop.

*Check-in required

Sport Experience Area (hall 4.1, near gate 17)

All visitors are welcome to join a virtual bike competition, which will take only a few minutes to complete.

*Check-in required

Functional Lab Demo Area (hall 4.1, near gate 20)

Functional lab exhibitors will display their technologies through different presentation formats – e.g. garments, fabrics and machinery. Selected exhibitors will also conduct a short product demonstration in this area.
