ISA TanTec Ltd

Macau

ISA TanTec was founded in 1995 and currently has 4 ultra modern tanneries located in the USA, Vietnam, China and Italy. It is an eco-friendly leather manufacturer represented by the LITE (Low Impact To the Environment) Trademark. The concept was inspired by the US Energy Guide and European CO2 regulation and it defines a high standard of environmental responsibility in the manufacturing process.

Under one tannery roof, ISA TanTec also operates a leather trimming division, ISA TrimTec, which specializes in trims for apparel, bags and shoes. ISA TrimTec offers a wide assortment of high-quality products from a classic collection of genuine leather patches to a vegan collection of non-leather trims. ISA TrimTec strives to add value in the supply chain through manufacturing diversity, cost efficiency, fast delivery and risk-free RSL performance.

Orta Anadolu Tic Ve San Isl TAS

Turkey

While our footprint is what we take from the planet when we consume, our handprint is what we give the planet back when we create change for better. Our handprint reflects our present, and embraces our sustainable future. This is why place ORTA BLU at the center of all our actions. ORTA BLU is in everything we do, at the intersection of where people, planet and purpose cooperate.
