Giftstart Co., Ltd. (Taiwan)

Zone: Functional Lab (Taiwan pavilion)

Product group: Multi-Colored Reflective/ Glow In The Dark/ Feel Changing Picture/ Anti-Scratch Film/ Reflective/ Glow In The Dark

Giftstart Co., Ltd. has recently rolled out yarns, fabrics and accessories that can generate colorful-reflection, glow-in-the-dark, and pattern-variable visual effects altogether in the products they constitute.

The unique technology is patented by Mr. MOIL Y.C. SHIH (The Managing Director of Giftstart Co.) with PCT WIPO (World Intellectual property organization) NO.:WO2016/192206 and No. I582470 : M520641 of Taiwan.

Also introduced based on the technology include reflective treatment that can generate "colorful refection and luminousness in the dark"; reflective T/C-based fabrics, stretch fabrics; and pipings that can glow in pitch darkness and reflect with colorful light.
