

国际智能建筑标准技术论坛

四号馆内会议室 A
Conference Room A (Hall 4)

Shanghai Intelligent Building Technology -
Building Standard Forum

21 / 9 / 2012

10:00 - 12:30

主题 Topic: **LonMark 国际协会：国际开放式网络控制标准，市场概述与动态**
LonMark International: Global Open Standards for Control Networking, A Market Overview and Update.

主讲人 Speaker: **孙丽峰先生, LonMark 国际协会中国区副代表, LonMark 认证工程师及埃施朗公司客户经理**
Mr Eric Sun, LonMark Deputy Ambassador, LonMark Certified Professional – China, Echelon Account Manager

11:30 – 12:15 (21 / 9 / 2012)

LonMark International's China Deputy Ambassador will present an overview and update of LonMark technology, standards efforts and summary of recent activity. For the past 17 years LonMark has been advancing the international platform for the issue of control system interoperability and is now a recognised by ISO, CEN, ANSI/CEA, and China GBZ standard, with LonMark certified products.

LonMark 国际协会中国区副代表孙丽峰先生将会展示 LonMark 技术的整体概况及最新技术，相关标准和近期活动的概要。目前，LonMark 认证超过 850 种国际产品并研发了超过 100 个 LonMark 设备协议以帮助行业解决控制系统的互操作性问题。在过去的 17 年间，LonMark 致力于研发并建立控制互操作性的国际化平台并已经被认证为 ISO, CEN, ANSI/CEA 以及中国 GBZ 标准。该演讲将提供更多关于 LonMark 标准，目前的培训及认证工作以及更多的精彩实例。

“Eric Sun – Echelon Account Manager, LonMark Member, LonMark Certified Professional, LonMark Deputy Ambassador – China. Eric manages sales, marketing, and technical support for Echelon in China and has an extensive background in open control networking systems, energy management systems, and energy metering.
